I'm fixing a hole
where the rain gets in
And stops my mind from wandering
Where it will go
I'm fixing the cracks
that ran through the door
And kept my mind from wandering
Where it will go
And it really doesn't matter
if I'm wrong
I'm right
Where I belong I'm right
Where I belong.
See the people standing there who
disagree and never win
And wonder
why they don't get in my door.
I'm painting my room in the
colourful way
And when my mind is wandering
There I will go.
And it really doesn't matter if
I'm wrong I'm right
Where I belong I'm right
Where I belong.
Silly people run around they worry me
And never ask me why they don't
get past my door.
I'm taking the time
for a number of things
That weren't important yesterday
And I still go.
I'm fixing a hole where the rain gets in
And stops my mind
from wandering
Where it will go.

ASTON COUNTY HERITAGE CENTER
SMITHFIELD, N.C.

Welcome into my world, friend.
You're free now
So it's alright to cry.
All the cement and bricks are gone
And live marshmallows last longer
Than you'd think.
Welcome into my world, friend.
Talk loudly.

Everything's inside now.
Whether we do well
or leave
we live with life.
Watch out
Here she comes.

O Phoebus,
from your
throne of
truth,
From your
dwelling-place
at the heart
of the world,
You speak to men.

SILENCE

A man is a child.
A man is a tricycle.
Most of all, he is a god.
He is a miracle.
But so are bridges.

That night, while the dirt was settling, I began to think back—and there really wasn't too much to count. Finally, when the rain stopped and the new room moved closer to my soul, John came in. He's my neighbor, and though his is black and mine is gold, it doesn't matter. We're both not.

Until some dawn
 When the Present
 Has become the Past
 And when the clouds
 Of today's life
 Have given way
 To never-ceasing
 Sunlight,
 The earth,
 Deep in which
 Lies the evil
 Of foregone generations,
 Shall deliver
 Unto the world
 Love—
 And a constant
 Assurance
 In the Infinite Beauty
 Of Humanity.

A guy must consider himself lucky
If just even once in his life
He is able to find
that special sort of being
Whose own smile and heartbeat
—out of necessity—
Can only be labeled contagious.

Mr. John Hatch

JOHNSTON COUNTY HERITAGE CENTER
SMITHFIELD, N.C.

In his effort to learn
Of man and his world
The world that will be one day his own
The student pursues knowledge and wisdom.
These were once found by man
But they have been forsaken.
The student labors to discover them anew.

Their mirth was without images
 Their laughter without motive
 Their pleasures were gross and sensual
 In which the mind had no part
 Their conduct was at once wild and mean
 They laughed at order and at law
 But the frown of power dejected
 And the eye of wisdom abashed them.
